Dear Parents/Guardians:

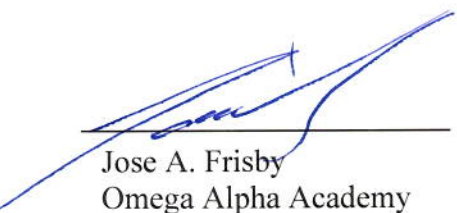

At Omega, we take great pride in helping those in need. We are constantly looking for an opportunity to serve our community and the people around us. We would not be able to do this without your help and support.

You might have heard that over the past weekend, there were a total of 34 confirmed tornadoes across eight states. Severe damages resulted after the tornado outbreak. Small towns throughout Kentucky began the long process of picking up the scattered pieces after losing their homes along with their personal belongings. Aside from the tragic loss of human lives, the total damage and economic loss caused by the tornado outbreak will surpass a value of \$18 billion.

Having stated this, Omega is creating a fundraiser on the GoFundMe platform. We invite our Omega family to help those families affected by the tornadoes along with the eight states. We will be collecting donations until this coming Friday, December 17th. The grade level that collects the most donations will receive a reward for their great efforts with a luncheon held locally and a pizza party on campus.

Omega Alpha Academy is blessed because of the many wonderful; parents, students, and the caring, collaborative, and hard-working team! During this giving season, we hope that you agree with us and provide some comfort for a few of those families who have lost so much. Please help up provide those families with some relief during this Holiday Season. Attached you will find information on how to donate to this worthy cause. The Omega Family greatly appreciates your willingness and attention to this urgent matter. Please do not hesitate to contact us should you have any questions or concerns.

Estimados padres/tutores:

En Omega, nos enorgullecemos de ayudar a quienes lo necesitan. Buscamos constantemente la oportunidad de servir a nuestra comunidad y a las personas que nos rodean. No podríamos hacer esto sin su ayuda y apoyo.

Es posible que haya escuchado que durante el fin de semana pasado, hubo un total de 34 tornados confirmados en ocho estados. Se produjeron daños graves después del golpe del tornado. Los pequeños pueblos de Kentucky comenzaron el largo proceso de recoger los pedazos esparcidos después de perder sus casas junto con sus pertenencias personales. Aparte de la trágica pérdida de vidas humanas, el daño total y la pérdida económica causados por el brote de tornados superarán un valor de \$18 mil millones.

Habiendo dicho esto, Omega está creando una recaudación de fondos en la plataforma GoFundMe. Invitamos a nuestra familia Omega a ayudar a las familias afectadas por los tornados junto con los ocho estados. Estaremos recolectando donaciones hasta el próximo viernes 17 de diciembre. El nivel de grado que recolecte la mayor cantidad de donaciones recibirá una recompensa por sus grandes esfuerzos con un almuerzo a nivel local y una fiesta de pizza en el campus.

Omega Alpha Academy está bendecida por los muchos maravillosos; padres, estudiantes y el equipo solidario, colaborador y trabajador! Durante esta temporada de donaciones, esperamos que esté de acuerdo con nosotros y brinde un poco de consuelo a algunas de esas familias que han perdido tanto. Por favor ayude a brindarles algo de alivio a esas familias durante esta temporada navideña. Adjunto encontrará información sobre cómo donar a esta noble causa. La Familia Omega agradece enormemente su disposición y atención a este asunto urgente. No dude en ponerse en contacto con nosotros si tiene alguna pregunta o inquietud.

Respetuosamente,

Jose A. Frisby
