State Mandated Testing SY 2021-2022

Date: February 11, 2022,

Dear Esteemed Omega Alpha Academy Parents/Guardians,

We would like to inform you that we will soon be starting with State Testing on campus. Please mark your calendars and make any necessary arrangements so your child may attend the testing sessions. Rest assured that Omega will do everything possible to ensure the safety of your child.

Please be reminded, although we have not yet returned to our traditional on-campus learning platform, this year, the Arizona Department of Education has required all Arizona schools to administer state testing in person in a safe learning environment to ensure the validity and reliability of the assessments.

The health and safety of our students, staff, and their families is and will always be Omega Alpha Academy's number one priority. After careful consideration, we have taken the time to prepare a safety guideline to ensure all safety precautions are in place and implemented during all stages of our on-site testing. We have embraced safety recommendations from the Center of Disease Control (CDC) and local medical agencies.

To facilitate a safe test-taking procedure both for students and staff, Omega will implement the following provisions and guidelines:

- CDC recommended temperature screenings will be conducted prior to entering the school campus.
- Face coverings will be worn at all times by all who enter the building.
- Students are encouraged to bring their own set of headphones if possible. (Please no bluetooth headphones)
- Materials/work areas will be sanitized before and after each testing session.
- Students and staff will wash their hands/use sanitizer before and after testing.

Anyone who is not in compliance with the guidelines stated above may be asked to leave campus immediately. Safety is paramount.

The Mission of Omega Alpha Academy is to prepare students for college and career readiness by engaging every student in a rigorous learning environment. The annual assessment test, such as Galileo, will be measured by showing an increase of 3% on overall performance growth.

Mr. Jose A. Frisby
Executive Director/Principal

Please follow all entry and exit signs. As students enter the school campus their temperature will be taken and they will be provided with hand sanitizer.

All students must be picked up once their testing has been completed. Please make the necessary drop-off and pick-up arrangements. Backpacks are not permitted on campus at this time.

Students who do not attend the testing sessions on campus are required to participate in their regular scheduled online classes.

Once again, please be reminded how important these standardized tests are in helping all stakeholders measure the academic growth of each student. We are confident that we can work collaboratively to ensure a safe and successful testing experience for each and every one of our students. We understand that you are an important partner in this testing process and we value your support. We look forward to working with you in making this testing season a positive and safe experience.

If your student has recently tested positive for COVID-19 please keep them home and email the testing coordinator at ccantu@oaak12.org to schedule a makeup test date.

Sincerely,

A handwritten signature in black ink, appearing to read "Carolina Cantu". The signature is fluid and cursive, with a large initial "C" and "C" for the last name.

Executive Director/Principal

Fecha: 11 de febrero de 2022,

Estimados padres/tutores de Omega Alpha Academy,

Nos gustaría informarle que pronto comenzaremos con las pruebas estatales en el campus. Por favor marque su calendario y haga los arreglos necesarios para que su hijo/a pueda asistir a las sesiones de prueba. Tenga la seguridad de que Omega hará todo lo posible para garantizar la seguridad de su hijo/a.

Recuerde, aunque aún no hemos regresado a nuestra plataforma de aprendizaje tradicional en el campus, este año al igual que el año pasado, el Departamento de Educación de Arizona ha requerido que todas las escuelas de Arizona administren las pruebas estatales en persona en un entorno de aprendizaje seguro para garantizar la validez y confiabilidad de las evaluaciones

La salud y seguridad de nuestros estudiantes, personal y sus familias es y siempre será la prioridad número uno de Omega Alpha Academy. Después de una cuidadosa consideración, nos hemos tomado el tiempo para preparar una guía de seguridad para garantizar que todas las precauciones de seguridad estén en su lugar y se implementen durante todas las etapas de nuestras pruebas en el sitio. Hemos adoptado las recomendaciones de seguridad del Centro de Control de Enfermedades (CDC) y las agencias médicas locales.

Para facilitar un procedimiento seguro para tomar exámenes tanto para los estudiantes como para el personal, Omega implementará las siguientes disposiciones y pautas:

- Se realizarán controles de temperatura recomendados por los CDC antes de ingresar al campus escolar.
- Todos los que ingresen al edificio usarán cubiertas faciales en todo momento.
- Se alienta a los estudiantes a que traigan sus propios auriculares si es posible. (Por favor, no auriculares bluetooth)
- Los materiales/áreas de trabajo se desinfectarán antes y después de cada sesión de prueba.
- Los estudiantes y el personal se lavarán las manos/usarán desinfectante antes y después de la prueba.

A cualquier persona que no cumpla con las pautas establecidas anteriormente se le puede pedir que abandone el campus de inmediato. La seguridad es primordial.

Siga todas las señales de entrada y salida. A medida que los estudiantes ingresen al campus de la escuela, se les tomará la temperatura y se les proporcionará desinfectante para manos.

Todos los estudiantes deben ser recogidos una vez que se hayan completado sus pruebas. Por favor, haga los arreglos necesarios para dejar y recoger a su estudiante. No se permiten mochilas en el campus en este momento.

Los estudiantes que no asisten a las sesiones de prueba en el campus deben participar en sus clases regulares en línea programadas.

Una vez más, recuerde cuán importantes son estas pruebas estandarizadas para ayudar a todas las partes interesadas a medir el crecimiento académico de cada estudiante. Estamos seguros de que podemos trabajar en colaboración para garantizar una experiencia de prueba segura y exitosa para todos y cada uno de nuestros estudiantes. Entendemos que usted es un socio importante en este proceso de prueba y valoramos su apoyo. Esperamos trabajar con usted para hacer de esta temporada de pruebas una experiencia positiva y segura.

Si su estudiante recientemente dio positivo por COVID-19, manténgalo en casa y envíe un correo electrónico al coordinador de pruebas a ccantu@oaak12.org para programar una fecha de prueba de recuperación.

Atentamente,

A handwritten signature in black ink, appearing to read "Carolina Cantú".

Carolina Cantú
